

# RODDIE'S PAW PLEDGE

## I promise to NEVER:

Never bother or approach a dog when it is eating, sleeping or chewing its bone.

Never approach or touch a dog you do not know.

Every dog that wags its tail isn't friendly

Never ever run from a dog. Stop and stay still; back away slowly while avoiding eye contact.

Never hit, beat, or throw anything at a dog.

Never take toys away from a dog even if the toys are yours. Ask an adult for help

Never put your face right in a dogs face.

Never pull or tug on a dog's ears, tail, fur, or paws.

Never climb or sit on a dog.

Never holler, scream, or shout at a dog. Use your normal talking voice

Never disturb a mom dog with new puppies.

Never make a dog stand on 2 paws. They are more comfortable on all 4.

I promise to ALWAYS:

Abide by all the rules of the RJWF and treat all dogs the way they should be treated.
